

Voluntary Faculty Program | Benefits for Voluntary Faculty

The following is a list of the benefits that you are entitled to with an UK Affiliation ID Card.

Discounts

Libraries (Campus and Medical Center)

As a Voluntary Faculty member, you can access UK electronic information resources. Alternatively, you can begin to create your account by following the instructions below:

[Access instructions for Voluntary Faculty](#)

Contact the Voluntary Faculty Program office to request a UK "linkblue" account. The following information is needed: your name complete with middle initial, date of birth, and a current e-mail address. You can call (859) 323-8013 and ask for Emily Chambers or e-mail emily.chambers@uky.edu

Once the account is created, we will e-mail instructions about accessing your account and the library resources.

Annual Conference

Every year, the Voluntary Faculty Program invites appointed Voluntary Faculty to participate in the annual conference, Preparing Health Professionals for the 21st Century. Participants are provided free continuing education credit in addition to overnight accommodations for out of town guests and an evening event to thank you for your support of UK's health professions education mission.
