Program Total Costs:	\$126,333.00		\$125,517.00		\$182,658.00	\$181,842.00
Total Credit Hours:	95					

University of Kentucky Physician Assistant Program
2026-2027 Physical Year Tentative Projected Total Tuition, Program Costs Fees*

Additional costs to consider:

- Scrubs for Labs
- ALCS & BLS renewal fees every 2 years
- Laptop
- Printer
- Additional school supplies needed
- Lost ID Badges
- Additional Background checks for clinical rotation sites

*Online tuition rates are defined each fiscal year based on a decision by UK's Board of Trustees. Tuition and fees are always subject to change.

**Each year parking fee costs may increase. Also, may differ during clinical year.

***Medical equipment fee is added to tuition.

****Some textbooks may be reused over semesters through didactic and clinical year or may be find online through UK's Medical Library.

*****Students enrolled exclusively in distance learning courses during fall and Spring of clinical year will be charged locked distance learning fee per credit hour.

***** Amounts are estimated based on the University's [Estimated Cost of Attendance](#) breakdown for the Master Health Professional.

***** Clinical Year: The clinical year begins in the second half of the summer with one 3 credit hour rotation. The program advises students to set aside a minimum \$400 per month for living/travel expenses in the case housing is unable to be acquired for the rotation or the student prefers to commute. Expenses may be incurred for rent, gas, food, parking, etc. The spreadsheet below will include the estimated \$400/month and indicated as Clinical Living/Travel Expenses. Below we included the monthly possible expenses for each semester.
